Veterinary Exchange Program

This program allows veterinarians and veterinary technicians licensed in North Dakota to receive one hour of continuing education for each hour of participation in a clinical setting at another practice. A maximum of eight hours for veterinarians and two hours for veterinary technicians during the 24-month renewal period is allowed. The goal of the program is to observe and learn or improve skills or techniques.

Name: _____

Address: _____

Phone number: _____

Email: _____

Practice where exchange occurred: _____

Supervisor name and credentials: _____

Address: _____

Phone number: _____

Email: _____

Dates of exchange and number of hours per day: _____

On a separate sheet, please explain in detail four cases you observed, including the following information: patient name and signalment, owner name, diagnosis, diagnostic tests, procedures and treatments. Please include the goal of the program and describe any new ideas that were learned during the observation period.

This is intended to be a review of your time spent at another veterinary facility. CE credits will require completion of this form and approval by the board.
